## **5. SELECTION PROCEDURE**

The current vacancy is for one post and establishment of a reserve list.

The selection procedure includes the following steps:

- Applications must be complete and successfully submitted via the e-recruitment tool within the deadline set for the vacancy notice.
- For each selection procedure, the Authority Empowered to Conclude Contracts of the Agency appoints a Selection Board. The Board's deliberations are confidential and applicants are strictly forbidden to contact its members.
- An automatic screening of all valid applications will be carried out by means of the e-recruitment tool in order to verify their compliance with the eligibility criteria. The eligibility screening will be verified and endorsed by the Selection Board responsible for the procedure.
- All eligible applications will be then evaluated by the Board based on the selection criteria defined in this vacancy notice.
- The candidates whose applications rank among the best-qualified in accordance with the selection criteria (the minimum threshold is 65% of the total points), may be contacted to verify (through a video-recorded interview) their studies, professional experience and/or other knowledge and competencies as indicated in their application. This step in pre-selecting the most suitable candidates does not, however, entitle candidates to be invited for an interview.
- The best-qualified candidates, those who obtained the highest scoring within the evaluation, will be short-listed for an interview and a written test.
- Prior to the day of the interview candidates will be requested to send photocopies of all the supporting documents for their educational qualifications and employment necessary to prove that they meet the eligibility criteria. - The Authority Empowered to Conclude Contracts will ultimately decide on the successful candidate to be appointed to the post.
- The established reserve list may also be used for recruitment of similar posts depending on the Agency's needs. Where a similar post becomes available, the Authority Empowered to Conclude Contracts may select applicants from the list according to their profile in relation to the specific requirements of the post to be filled. However, inclusion on the reserve list does not guarantee employment.
- The validity of the reserve list is indicated in the vacancy notice and its duration might be extended if deemed necessary.
- Normally, the recruitment procedure can take up to 6 months from the date on which a position is first advertised to the final offer being made.
- If, at any stage of the procedure, it is established that any of the information the candidate has provided is incorrect, the candidate in question will be disqualified.

**Indicative date for the interview and written test: July 2020. The date might be modified depending on the availability of the Selection Board members.**

**Candidates are strictly forbidden to make any contact with the Selection Board members, either directly or indirectly. Any infringement of this rule will lead to disqualification from the selection procedure.**
