1.EUSPA AND GALILEO/EGNOS SERVICES

The European Union Agency for the Space Programme (EUSPA) provides safe and secure European satellite navigation services, promotes the commercialization of Galileo, EGNOS, and Copernicus data and services and coordinates the EU's forthcoming governmental satellite communications programme GOVSATCOM. EUSPA is responsible for the security accreditation of all the EU Space Programme components. By fostering the development of an innovative and competitive space sector and engaging with the entire EU Space community, EUSPA contributes to the European Green Deal and digital transition, the safety and security of the Union and its citizens, while reinforcing its autonomy and resilience.

EUSPA is responsible for operational management of the EGNOS and Galileo satellite navigation programmes and for ensuring the continuous provision of their services. This involves the management, operation, maintenance, continuous improvement, evolution and protection of the systems' infrastructure, including

upgrades and obsolescence management. The Agency is also responsible for developing future generations of the systems, the evolution of their services, and for activities related to the extension of their coverage.

You will be joining a dynamic and operational EU Agency and have the opportunity to work with colleagues from a broad array of different backgrounds and expertise all contributing to one of the most important and ambitious projects ever undertaken by the EU. We are committed to implement the EU Space Programme and turn the EU space ambitions into a reality. For more information on the EUSPA and the EU Space Programme, [click here](#).

2. TASKS AND RESPONSIBILITIES

The Agency is looking for a Systems Manager of the Systems in Operations with experience in large-scale complex systems development. The job holder will manage System and Ground Segment engineering and development activities led by the Agency in its role of EGNSS Exploitation Manager (EGNOS and Galileo) and in the frame of the GOVSATCOM Programme. Depending on his/her assignment, the Systems Manager of the Systems in Operations will report to the respective Head of Department.

The jobholder will have the following main tasks and responsibilities:

- Manage the system and segment infrastructure evolutions activities;
- Coordinate the specification and development follow up of improvements to the system in operations implemented by industrial contracts;
- Lead the system engineering processes for managing requirements through the lifecycle of the system and ground segments;
- Coordinate the technical analysis of the specifications and design the major evolutions of the system and ground segments, in order to verify coherence and compatibility with the system in exploitation, and identify impacts on baseline technical documentation;
- Coordinate the definition of an overall system Integration and Verification (I&V) Programme, ensuring consistency between system and segments verification but also between verification and validation activities;
- Manage the establishment of system upgrades deployment/migration plan, consistent with service continuity needs;
- Monitor the qualification status, and follow up on anomalies resolution through the implementation of Work Arouns, fast fixes and mid-term/long-term corrections;
- Maintain the qualification status, assessing any changes with respect to the impact on system qualification;
- Verify that the system upgrades are under configuration control prior to the handover to the operations team;
- Coordinate the Agency contribution to the development of the Galileo Second Generation from the system and infrastructure point of view, performed by the European Space Agency;
- Represent the Agency in the relevant boards as necessary (including but not limited to Change Control Boards, Qualification Review Board, Acceptance Review Board);
- Liaise with other internal stakeholders, as well as with external partners such as the European Commission, the European Space Agency, the Service Operator, the Products manufacturers and maintainers;
- Support the Agency management as needed and take on additional tasks as required in the interest of the service.

The position is situated in Prague, Czech Republic with regular missions within Europe (and possible detachment) to other Agency sites.

Details on how to initiate these processes are available [here](#).

8. SUMMARY OF CONDITIONS OF EMPLOYMENT

FINANCIAL ENTITLEMENTS

The remuneration consists of a basic salary¹⁰ and, where applicable, additional allowances¹¹, paid on a monthly basis and reimbursements¹², paid upon their evidenced occurrence.

The sum of the basic salary and the applicable additional allowances is weighted by the correction coefficient applicable for the location of the post¹³. The sum of usual social deductions from salary at source is subtracted from the weighted amount¹⁴. The full pay is exempted from the national income tax, but is subject to the internal income tax and the solidarity levy¹⁵.

Examples of net monthly salaries (as currently applicable in Prague) are presented below:

AD 9 - Step 1 (less than 15 years of work experience)¹⁶		
a) Minimum final net salary (without any allowances)	b) Final net salary with expatriation allowance	c) Final net salary with expatriation, household and 1 dependent child allowance
5,072.30 EUR	6,170.81 EUR	7,131.42 EUR

AD 9 - Step 2 (more than 15 years of work experience)¹⁶

a) Minimum final net salary (without any allowances)	b) Final net salary with expatriation allowance	c) Final net salary with expatriation, household and 1 dependent child allowance
5,246.13 EUR	6,390.80 EUR	7,369.26 EUR

LEAVE ENTITLEMENTS

Staff is entitled to annual leave of two working days per each complete calendar month of service plus additional days for the grade, age, home leave for expatriates and an average of 16 EUSPA public holidays per year.

Special leave is granted for certain circumstances such as marriage, moving, elections, birth or adoption of a child, serious sickness of spouse, etc.

SOCIAL SECURITY

The pension scheme provides a very competitive pension after a minimum of 10 years of service and reaching the pensionable age. Pension rights acquired in one or more national schemes before starting to work at the EUSPA may be transferred into the EU pension system.

EUSPA's benefits include an attractive Health insurance: staff is covered 24/7 and worldwide by the Joint Sickness Insurance Scheme (JSIS). Staff is insured against sickness, accident and occupational disease, and could be entitled to unemployment and to invalidity allowances.

PROFESSIONAL DEVELOPMENT AND BENEFITS CONTRIBUTING TO WORK-LIFE BALANCE

EUSPA aims at creating and maintaining a supportive and healthy work environment that enables staff members to have a balance between work and personal responsibilities, for example through flexible working time arrangements.

EUSPA also offers a wide range of training courses to develop staff members' personal skills and to keep in touch with the latest developments in their field. The training and professional development opportunities are attuned to the career plan and requirements of the departments.

INTERNAL AND INTERAGENCY MOBILITY

In case of internal or interagency mobility, EUSPA and the selected candidate shall conclude a contract of employment in accordance with the

EUSPA rules: https://www.euspa.europa.eu/sites/default/files/conditions_of_employment_of_temporary_staff_ta.pdf

[10] As per Articles 92 and 93 CEOS.

[11] Household allowance (e.g. if you have a dependent child or you are married and your spouse's income is below a defined threshold); **Dependent child allowance** (e.g. if you have a child under the age of 18 or between 18 and 26, if in specified training programme); **Education allowances** (in very specific cases) or **Payment of the education fees** applicable to the educational institutions EUSPA has an agreement with (currently more than 18 international schools in the Czech Republic and Spain, and accredited European Schools in France and in the Netherlands); **Expatriation allowance** (16% of the sum of basic salary and other applicable allowances).

[12] If the staff member is requested to change the residence in order to take up duties, s/he will be entitled to: reimbursement of the travel costs; temporary daily subsistence allowance (EUR 44.28 for up to 10 months or EUR 35.71 for 120 days, if no dependents); installation allowance (depending on personal situation, 1 or 2 months of the basic salary – paid upon successful completion of the nine-month probationary period).

[13] Currently correction coefficients for the EUSPA duty locations are: 85.2% for CZ, 120.5% for FR, 113.9% for NL, 94.2% ES. The coefficient is updated every year, with retroactive effect from 1 July.

[14] Pension (10.10%); health insurance (1.70%); accident cover (0.10%); unemployment insurance (0.81%).

[15] Currently: income tax: tax levied progressively at a rate of between 8% and 45% of the taxable portion of

the salary; solidarity levy: 6%.

[16] Kindly note that the numbers in examples b) and c) are indicative and net monthly remuneration varies depending on the personal, life and social situation of the incumbent. **The various components of the remuneration are updated every year, with retroactive effect from 1 July.**

9. COMMITMENT

Declaration of commitment to serve the public interest independently:

The jobholder will be required to make a declaration of commitment to act independently in the public interest and to make a declaration in relation to any interest that might be considered prejudicial to his/her independence.

The jobholder will be required to carry out his/her duties and conduct him/herself solely with the interests of the European Union in mind; he/she shall neither seek nor take instruction from any government, authority, organisation or person outside his/her institution. He/she shall carry out the duties assigned with objectivity, impartiality and loyalty to the European Union.

Commitment to promote equal opportunities:

The Agency is an equal opportunities employer and strongly encourages applications from all candidates who fulfil the eligibility and selection criteria without any distinction whatsoever on grounds of nationality, age, race, political, philosophical or religious conviction, gender or sexual orientation and regardless of disabilities, marital status or other family situation.

10. DATA PROTECTION

The personal data requested from applicants will be processed in line with Regulation (EU) N° 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, officers and agencies and on the free movement of such data (repealing Regulation (EC) N° 45/2001 and Decision N° 1247/2002/EC) and the applicable privacy statement which can be accessed
